SUPPLEMENT TO
REPORT NO.

25X1X

1. Since summer 1949 two Soviet ships, loaded with cement manufactured at Cernavoda, have departed each week from Constanta for a Soviet Black Sea port in the neighborhood of the Soviet-Turkish frontier.
2. Weekly shipments of cement amounted to about 15,000 tons.
3. The Rumanian ship ARGEUL also made two trips; [REDACTED] the chief engineer of this ship that the cement was transported by Soviet trucks after it was unloaded and that it was reported around the docks that this great quantity of cement was being used in fortifications along the Turkish frontier.
